"Back To The NATURE" is a new way of combining a weekend getaway out of the city, with outdoor adventure lifestyle, sleeping in the forest, eating what is available, doing fun activities together in a team. This helps to reduce daily stresses and make the life fully balanced.
Forest village trekking-This trekking is about 2-3 hours walking in one day. You will be trekking in pleasant, shady path where both the sides full of orchards surrounded by village. The weather will be pleasant in the morning, with green trees views around you. This is a simple trek for beginner and medium trekking to enjoy the forest lifestyle.
